Re.: Marcos 1800 GT, 1965

I am interested in ordering the extreme left portion of the 3-piece dashboard in my left-hand-drive 1965 Marcos 1800 GT, as well as a circuit diagramme.

Please inform me concerning the prices of these items and how long it would take to deliver them.

I would also be grateful if you could tell me who and where your agent in Germany is (should you have one here).

Sincerely yours,

Simone Ferling
